PART I

1. INTRODUCTION:

The accounts of the Government of Yobe State of Nigeria for the year ended 31st December, 2021 have been audited under my direction in accordance with Section 125 subsection 2 of the Constitution of the Federal Republic of Nigeria 1999 (as amended) and Section 10 (a)-(e) of the Yobe State Public Sector Audit & Other Related Matters Law, 2021.

I have certified the individual accounts as correct, SUBJECT TO the observations contained in this report, while irregularities have been communicated to the Honourable House vide Domestic Report on the Auditor-General Annual Report for the year ended 31st December, 2021 and various letters were conveyed to the Treasury and the Accounting Officers of Ministries, Departments and Agencies (MDAs) concerned for their necessary actions.

2. SUBMISSION OF ACCOUNTS:

Section 15 (1) of the Yobe State Public Sector Audit & Other Related Matters Law, 2021 requires the Accountant-General to have completed and submitted the Annual Accounts of Government of Yobe State to my Office within three (3) months after the 31st day of December

of each preceding year. Consequent upon this development, the Annual Accounts of Government of Yobe State of Nigeria for the year ended 31st December, 2021 was submitted to this Office on the 3rd day of February, 2022; a period of one month 25 days before stipulated time. Therefore, the Office of the Accountant-General has been enjoyed to maintain this trend to enable the State retained its status in promoting transparency and accountability in the management of the public resources.

PART II

GENERAL COMMENTS, FINDINGS & OBSERVATIONS

3. COMPLIANCE WITH PUBLIC PROCUREMENT LAW:

Section 18 (1) (a)-(b) of the Yobe State Public Procurement Law, 2016 provides that “all public procurement shall be conducted, to the prior review thresholds as may from time be set by the Council based only on procurement plans supported by prior budgetary appropriation and no procurement proceedings shall be formalized until the procuring entity has ensured that are available to meet the obligations and subject to the threshold in the regulations made by the Bureau, has obtained a certificate of **‘NO OBJECTION’** to contract award from the Bureau.

It could be observed that since from the inception of this law, most of the Ministries, Departments and Agencies (MDAs) are complied with the manner in which transparency, timely, and equitable for ensuring accountability and conformity with the aim of achieving value for money and fitness for purposes of economy, efficiency and effectiveness.

Therefore, in the course of my audit for the accounts/records for the year under review, it was observed that most of the procuring entities were subjected to public procurement law as enshrined and envisaged.

4. OUTSTANDING MATTERS:

There are some outstanding matters in the previous years' reports which are currently before the Honourable House for further legislative purposes. Details of the House resolutions will be communicated in due course.

5. INTERNAL AUDIT ROLES:

Section 145 (a) of the Public Finance Management Law, 2020 provides that, *"Internal Auditors shall review and evaluate budgetary performance, financial management, transparency and accountability mechanisms and processes in an entity"*.

However, on the course of our audit exercise, some of the Ministries, Departments and Agencies' financial records did not passed through internal audit tests (affected MDAs were reported vide my 2021 Domestic Report) which contradict the provision of financial regulations and other relevant laws of Yobe State Government. Therefore, internal audit

unit of an entity are enjoy to comply with their statutory roles through internal checks to strategize their roles for the benefit of 'pre-audit test', and 'alarm' to minimize some occurrence of mistakes, frauds, errors or omissions in accounting operations.

6. BOOK KEEPING AND FINANCIAL RECORDS:

During the year under review, some anomalies were observed in the maintenance and rendering of accounting books and records by some of the Ministries, Departments and Agencies (MDAs) which comprises of: -

- a. Delay/non response to Audit inspection reports and enquiries by some Ministries, Departments and Agencies (MDAs).
- b. Most imprests were either not fully retired or not retired at all with relevant supporting particulars/evidences.
- c. Some Ministries, Departments and Agencies (MDAs) failed to keep or update their accounting records until upon the existence of an Audit Inspection team which violates the provision of financial regulations and other relevant laws.
- d. Some of the accounts were not reconciled as and when due.

- e. Some Ministries, Departments and Agencies (MDAs) used sub-receipts instead of payment vouchers.
- f. Some Ministries, Departments and Agencies' payment vouchers were not serially numbered and arranged/maintained according to cashbook postings.
- g. Most of the Ministries, Departments and Agencies Bank reconciliation in respect of the account(s) were not provided and maintained in good time for audit purposes.
- h. Departmental Vote Expenditure Accounts (DVEA) were not maintained and kept at organizational level. Hence, no control mechanism exists to check excess expenditure above the approved budget.
- i. It was observed that no contract registers with columns indicating contract sum, period of execution, stage of work, progress payments and balances, maintained at the organizational level.

Details of the analysis of the observations noted based on Ministries, Departments and Agencies were presented vide my domestic report for the year 2021 for onward

communication to the State House of Assembly for further necessary actions as required by laws of the State.

7. ANNUAL APPROPRIATION ACCOUNTS:

It was observed that during the year under review, most of the Ministries, Departments and Agencies (MDAs) did not comply with section 32 (1) of the Yobe State Public Finance Management Law, 2020 which states that *“Each Accounting Officer may cause any proposed budget estimates to be examined and reported on by the internal audit unit of the entity”*

Contrary to this, failure of MDAs to comply with this provision may lead to principal aspect of misclassification of votes charged in an entity’s appropriation. Therefore, organizations are advised to strictly adhere to this law which may minimize the cases of misclassifications as reported vide my 2021 domestic report.

8. QUERIES ISSUED DURING THE YEAR 2021:

Queries issued to Ministries, Departments and Agencies (MDAs) during the year under review for the purpose of non-adherence to the provisional laws are analyzed in the

Domestic Report on the Auditor-General's Annual Report for the year ended 31st December, 2021.

9. UN-VOUCHED EXPENDITURE:

During the year under review, it was observed that all expenditure in respect of public monies were adequately vouched for at the Treasury level of the Ministry of Finance and rendered accordingly for audit purposes. Therefore, no cases of un-vouched expenditure were observed in the year 2021.

10. UNPRODUCED PAYMENT VOUCHERS:

There were few cases of unproduced payment vouchers in some Ministries, Departments and Agencies during the year 2021. Details analysis were provided vide my 2021 Domestic Report for the year ended 31st December, 2021.

11. LOSS OF CASH AND STORES:

During the audit of accounts/records for the year ended 31st December, 2021. In all Ministries, Departments and Agencies visited, it was observed that there were no cases of loss of revenues or stores discovered.

12. PERSONNEL COSTS:

Though, an increased in salaries figure for the year 2021 amounting to N28,880,217,969.00 were observed compared with the previous year 2020 of N26,273,945,690.00. On the course of my audit, it was observed that most of the Ministries, Departments and Agencies (MDAs) visited failed to maintain necessary accounting records regarding their personnel costs which include cashbook (salary ledger), pay record cards, variation orders etc made it difficult for audit to ascertain the actual costs in salaries at MDAs level.

Therefore, proper check and balance between the central pay point and the MDAs for transparency, accountability and budget determination could not be actualized.

13. CASH AND BANK BALANCES:

The cash and bank balances amounting to the tune of N9,377,522,789 made up of various balances of subsidiary accounts and main treasury accounts were recorded during the year 2021. However, some of the bank accounts at the Treasury Unit remain dormant for several years, while others are operating same purposes which observed to be not economical, efficient and effective. Therefore, the Accountant-General were ask to provide more

clarification regarding the purposes, but up to the time of writing this report, his reply is still being awaiting.

14. INTERNAL LOANS:

Although most of the resources required for public spending are raised through taxation. It is rare for any modern budget to balance its expenditure with resources to meet the obligations. For a variety of reasons, ranging from a desire to accelerate capital spending to a policy of economic stabilization, government may choose to raise some of their resources by borrowing, due to the inability of revenue to finance its capital budget.

Consequent upon this development, Yobe State Government estimated to receipt the sum of N31,400,000,000.00 as internal loans in the year 2021 approved budget. However, from the accounts submitted, the actual receipt stood at N34,959,169,632.90 represents 28% of the State total revenue/receipt accrued to the Consolidated Revenue Fund. Audit findings reveal that, major policy incarcerated by the State aimed to streamline by Federal Government through Central Bank of Nigeria at low interest rates to enable the State balance its capital budget deficit.

Therefore, it becomes necessary to the Ministries of Finance & Economic Development and that of Budget & Economic Planning in conjunction with other relevant stakeholders to mapped-out a strategic plan for more revenue sources to enable the State finance its realistic budget.

15. EXTERNAL LOANS:

Accounts submitted by the State Accountant-General reveals that as at 31st December 2021, the actual outstanding balance against the Government of Yobe State stood at N10,224,756,167 as presented in the 2021 fourth quarter performance report obtained from Debt Management Office, Abuja and made available for audit scrutiny.

However, accounts submitted indicates the sum of N563,740,515.36 was deducted at source in the year 2021 for the servicing of external loan. Therefore, true and fair position of the total payments made to justify the deductions made during the year under review and outstanding balance could not be reconciled as all efforts to provide some relevant records for audit scrutiny proof abortive. Hence, the Accountant-General is urged to make available for further examination.

16. PENSIONS AND GRATUITIES:

During the year under review, the sum of N4,911,900,000.00 was estimated for the servicing of Pensions and Gratuities. From the accounts submitted, the total sum of N4,521,795,057.00 was released for the payments of pensions and gratuities.

However, during the period under review, this office has approved a total number of 271 additional pensions and gratuities computations from Ministries, Departments and Agencies (MDAs) with the total savings of about N108,800,177.29 as a result of wrong computations, over-stay among others.

17. INTERNALLY GENERATED REVENUE (IGR) GENERAL:

For the year under review, total internally generated revenue realized in consolidated revenue fund accounts stood at N8,460,647,980.00 compared with the previous year (2020) of N6,810,915,628.00. Audit verification revealed that upward trend (increased in IGR) of 24% against the previous year was as a result of efforts made by the stakeholders to ensure all revenues must formed part of the consolidated revenue fund accounts as provided in the supreme law.

As a line basis to ensure budget realization, stakeholders in revenue generating agencies are advised to enhance and improve revenue collection machineries for revenue accounting in accordance with the new revenue law enabling and empowering the State Internal Revenue Service to perform its functions effectively and efficiently. This will enable the state achieve its budget determination in financing most of the developmental projects and programmes.

Similarly, upward trend was realized during the year 2021 compared to the previous year (2020) with about ₦22,881,344,268.71. 19. CONSOLIDATED REVENUE FUND ACCOUNTS (EXPENDITURE) FOR THE YEAR ENDED 31ST DECEMBER, 2021:

Meanwhile, further analysis of an expenditure indicates that the Government of Yobe State estimated a balance budgeted to the tune of ₦139,874,499,776.00 in the financial year 2021. Therefore, from the analysis presented in the accounts submitted, it could be observed that the total recurrent expenditure amounting to ₦73,036,037,222.24 was incurred for the services of personnel costs equivalent to 40% of the total recurrent expenses, whereas 30% goes to administrative and other running costs while 19% was incurred in servicing of public debt (i.e. repayment of external and internal loans). Likewise, the remaining percentage (11%) was paid for pensions and gratuities and other subvention to Boards and Parastatals among others.

Meanwhile, for the capital expenditure amounting to ₦44,420,842,619.47 being incurred on developmental projects and other social benefits, it becomes necessary to recommend the efforts made by the Government of Yobe State during the year under review in forecasting its economic future of the State by unprecedented positive determination of allocating about 81% of its total capital expenditure incurred to economic sector. This could be considered as an economic wise decision by the Government of Yobe State which is expected to maintain for rapid economic growth.

Below is the graphical representation of actual capital expenditure incurred according to sector by sector.

21. STAFF

It cannot be overemphasized that there is need to increase the staff strength by employing staff in different areas of specialization to replace the officers who are retiring from the service in droves. This would enable us to face the challenges inherent in the office and to meet the requirements of the modern days auditing professions.

STATEMENT OF RESPONSIBILITY FOR FINANCIAL STATEMENTS

These financial statements have been prepared by the Accountant-General of Yobe State in accordance with the provision of the Public Finance (Control and Management) Act 1958 as amended. The Financial Statements Complies with the generally accepted accounting practice and the new International Public Sector Accounting Standards (IPSAS) cash basis General Purpose Financial Statements (GPFS) reporting format approved by Federal Executive Council (FEC) in July, 2010.

The Accountant General is responsible for establishing and maintaining a system of internal controls, designed to provide reasonable assurance that the transactions are recorded within statutory authority; and properly record the use of all public financial resources by the State Government.

To the best of my knowledge, this system of internal control has adequately operated throughout the period of reports. In my opinion, these financial statements fairly reflect the financial position of the Government of Yobe State of Nigeria as at 31st December 2021 and its operations for the year ended on that date.
